Office of the Chief Conservator of Forests.

Station Chepauk.

Date 22nd May 1922.

From

S. Cox Esq., C.I.E., I.F.S.,

Chief Conservator of Forests,

Madras.

To

The Secretary to Government,

Development Department.

Sir,

I have the honour to submit herewith, for approval and publication in the Fort Saint George Gazette, a revised boundary description in respect of a portion of the boundary of Kiribag reserve, South Kanara District, constituted under G.O.No.996 Revenue, dated 5th October 1906.

2. According to Section 16 notification and the Forest Settlement map (extract enclosed), the boundary line passing from cairn 83 to cairn 84 includes in the reserve S.Nos.41/1 and 41/2, of which the former is land at the disposal of Government while the latter is patta land, having been assigned on darkhast two years prior to forest settlement.

3. No action is necessary in respect of S.No.41/1. As for 41/2, it has since been ascertained from the Collector that at the time of settlement, no notice was served on the pattadar under Section 6 of the Forest Act, and that no claims were preferred in regard to it. It cannot, therefore, be treated as having been legally included in the reserve.

The proper course to follow is to exclude the S.No. from the reserve by means of a revised boundary description vide the Advocate General's opinion in G.O.No.5[illegible]7 Revenue

Revenue dated 9th June 1906.

4. I request accordingly that the amended boundary description submitted herewith may be approved and published in the Fort St.George Gazette.

I have the honour to be,

Sir,

Your most obedient servant,

Kannadasan,

For Chief Conservator 22/5
